### Reggie James

Reggie James has transformed into a Certified Recovery Coach and Peer Advocate Trainer as well as a trainer in these professions. He is a socially conscious entrepreneur, creator of the Harlem USA Map products and former healthcare marketing executive.

As a black man in long term recovery, he is devoted to breaking the stigma of mental health and the stereotype of the peer workforce and the formally incarcerated. He is a member of the Screen Actors Guild (SAG), and various change agents in Harlem and The Bronx including Forward South Bronx Coalition (FSBC) and Harlem's Community Coalition on Mental Health (CCMH).

Reggie enjoys mind & body fitness, swimming, water sports, holistic health, bridge, community involvement, real estate ventures and spending time with his wife and family members. An original member and Election Chair of Brothers in Recovery (BIR) he is the founder, co-producer/ host of their live cybercast, call-in, weekly public affairs radio show 'Another Perspective'. This provides a perfect venue for his social justice mission on WHCR 90.3 FM. He is grateful for his wide range of friends, colleagues and associates that support his efforts....
