

Lisa Hope, LCAT, LADC, ATR-BC, MAC, CASAC, CRPA, RCP is an Art Therapist, Substance Use Disorder Counselor, Recovery Coach, and CCAR Recovery Coach Core Trainer. She has been training in a variety of methods beginning in 2009 with corporate training and then was able to develop application of training to the counseling and coaching profession. Lisa is passionate about the integration of peers, family members, and allies in the field of Recovery Support Services. She also has experience supervising students and new credentialed people in the counseling and coaching field to further develop their art in helping others recover.
