

October 25-27, 2026

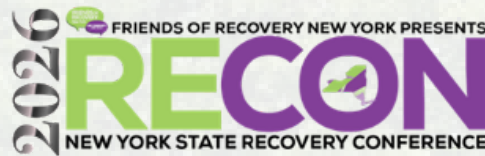

Crowne Plaza Albany - the Desmond Hotel
Albany, NY

“Building a Recovery Ready New York State”

Preparing NYS communities to be inclusive of recovery supported services

Sponsorship Tiers & Benefits

Dear Friends,

Friends of Recovery – New York is pleased to invite you to become a sponsor of our upcoming Recovery Conference 2026, themed “Building a Recovery-Ready New York State.”

This year’s conference will bring together individuals in recovery, family members, recovery community organizations, healthcare professionals, service providers, advocates, policymakers, educators, and community leaders from across New York State. Together, we will explore innovative strategies, share best practices, and strengthen partnerships that create communities where recovery is recognized, supported, and celebrated.

A recovery-ready New York is one where every person has access to hope, opportunity, and the support they need to thrive. It is a state where employers, healthcare systems, educational institutions, local governments, and communities work together to remove barriers, reduce stigma, and create pathways to lifelong recovery. Your partnership helps make this vision possible.

As a sponsor, you are investing in more than a conference — you are investing in people, families, and communities. Your support allows us to provide meaningful educational opportunities, highlight recovery successes, amplify lived experience, and foster collaboration that strengthens recovery support systems throughout New York State.

Attached you will find the 2026 sponsorship opportunities, each designed to provide valuable recognition while demonstrating your organization’s commitment to building healthier, stronger, and more resilient communities.

We hope you will join us in making this year’s conference a resounding success. Together, we can **Build a Recovery-Ready New York State** and ensure that recovery is visible, valued, and accessible for all.

Thank you for your consideration and for your commitment to supporting recovery across New York State. We look forward to partnering with you.

Sincerely,

Dr. Angelia Smith Wilson

Executive Director

Friends of Recovery NY
